LODGE FARM

An award winning wedding venue nestled in the Hertfordshire countryside, boasting a large three hat tipi, a stunning barn, onsite accommodation and stunning outdoor ceremony areas. Set within 20 acres of rolling countryside, the gardens provide a tranquil and peaceful setting, offering the ideal canvas to create your perfect day. Our tipi can seat 150 guests and hold up to 200 in the evening and our ceremony barn can seat up to 150. We offer overnight accommodation for up to 16 guests, in our Victorian Farm House. We are licensed for ceremonies and offer a flexible space for the most relaxed day.

THE BARN

Our 200 year old ceremony barn is licensed for legal ceremonies and can seat up to 150 guests.
It is a stunning location for your dream barn ceremony or a fabulous back up if we have a bad weather and your ceremony was going to be outside.
Allowing nature to add to the decor, the ivy inside is a beautiful feature alongside the fairy lights and chandeliers. Our barn is a stunning rustic space for you to say ‘I do’.

THE TIPI

Our three hat tipi is a great space for your wedding breakfast and party! With seating for up to 150 guests and a capacity of 200 in the evening, this amazing space has all you need for the best party. Our tipi is fully weather proof, meaning we can open it up in the beautiful sunshine or lower the sides the weather is not ideal. One hat houses our fully stocked bar, the next hat is where you party with your band or DJ and the final hat is set beautifully for dining.

THE ACCOMMODATION

At Lodge Farm we have space for 16 guests who have exclusive use of our farmhouse. We have two stunning superior suites, a family apartment that sleeps four, two doubles and two small doubles. Included in the price is breakfast in our dining room.

THE GARDENS

Sep 2026

We have two outdoor ceremony areas... the formal lawn and the secret garden.

The lawn can sit up to 150 guests. You'll be surrounded by manicured lawns, florals and greenery, with a backdrop of the Victorian Farm House.

The secret garden can seat up to 70 guests and offers a more intimate setting where you'll marry under the beautiful arbour.

THE TEAM

Sep 2026

Lodge Farm is a family-owned and operated business, dedicated to putting your needs first. Michael and his parents, Carol and Bob took on Lodge Farm in 2019 as an already established wedding venue, since then, the team has continually worked to make improvements and offer you the best possible value for money.
Liz is our venue manager and senior event planner. With over 10 years at Lodge Farm, Liz has overseen hundreds of special days, yet treating each and every one as unique. She has an expanse of knowledge that will help you plan your perfect day.
Nicki has been with Lodge Farm for two years now, coming from a photography background with around 20 years experience photographing weddings. Nicki is now one of our wedding planners, whilst still maintaining our gardens and social media!

THE REST

Sep 2026

Lodge Farm is situated in Kings Walden, on the outskirts of Hitchin, Hertfordshire. Within easy reach of Hitchin railway station, Luton Airport Parkway station and Luton Airport.

We have onsite accommodation for 16 guests with larger hotels and Airbnb's within a 10 minute drive.

We have a fantastic taxi company nearby, who have been servicing Lodge Farm for over 15 years. They are reliable and affordable!

Lodge Farm is an exclusive use venue, meaning on your special day you will only have your nearest and dearest around (and the odd horse and goat!).

We are a pet friendly venue, so if you want to bring your furry loved one on the day for a few hours, you can (unfortunately we can't allow them in the house due to potential allergies).

We are registered for legal ceremonies through Hertfordshire County Council. You can legally marry in one of our three ceremony areas.

Wedding planning services with a dedicated Event Manager are included in the venue pricing.

Unfortunately we do not permit dry hire.

Our season runs from April to October, but we can facilitate smaller weddings out of season.

Our music cut off is Midnight on a Thursday and Saturday and 10:30pm on a Sunday and Monday.
